Dear LLACC member,

I am writing to you as the Chair of London Luton Airport Ltd. (LLAL) to let you know about the upcoming non-statutory consultation.

As you will be aware, in December 2017 we launched our Vision for Sustainable Growth as we look to make the best use of the existing runway at LTN. Our assessment is that the capacity of the existing runway is up to 36-38 million passengers per annum (mppa), or in the region of 240,000 aircraft movements per year. Given the proposed increase in capacity is in excess of 10 mppa, we anticipate we will need to make an application in accordance with the Planning Act 2008 (the 2008 Act) for a Development Consent Order (DCO). The DCO application will be submitted to the Planning Inspectorate for examination, and the Secretary of State for Transport will ultimately make the decision on whether to grant development consent.

In advance of the statutory consultation required as part of the DCO process, we are conducting a non-statutory consultation on the long-term development of LTN this summer.

LLAL are undertaking this consultation to ensure stakeholders and communities are able to engage and be involved in the process as early as possible. It will set out our initial thinking on our strategic approach to expansion and will take place over a ten-week period in the summer. It will provide stakeholders and communities with an opportunity to shape our emerging proposal and find out more about the DCO process. It's also an opportunity to let us know what else we should be considering ahead of a statutory consultation which is likely to take place in mid-2019.

Early masterplan options will also be available, and we will be encouraging stakeholders and consultees to provide their feedback. The consultation will begin on Monday 25<sup>th</sup> June and will close on Friday 31<sup>st</sup> August. There will be a number of consultation events across the region throughout July, details of which can be found on the next page.

We would welcome your engagement in the consultation, should you have any questions or require additional information, please contact us at [futureluton@llal.org.uk](mailto:futureluton@llal.org.uk). Additional information will also be available from Monday 25<sup>th</sup> June at [www.futureluton.llal.org.uk](http://www.futureluton.llal.org.uk).

Yours sincerely,

A handwritten signature in black ink, appearing to read "A Malcom", written over a horizontal line.

**Cllr Andy Malcom**, Chair of London Luton Airport Ltd.
